How Will Attending This Programme Benefit You?

This intensive 5-Day NLP Certification Programme is designed for learning, experiencing and becoming competent in using advanced communication skills for influencing, valuing, motivating and engaging everyone you deal with in business. NLP is a methodology of how we create the behaviour to build rapport and connect authentically with others. It is the behavioural structure used by some of the most influential people in the world. On this interactive NLP training will share with you the techniques that great communicators use to help people they work with feel engaged, valued and understood.

The NLP Business Practitioner programme is an immersive and interactive 5-Day training which gives you the advanced communication strategies to change and improve the lives of those around you for good.

- Learning how to use the secret behaviour strategies of the worlds top business leaders, coaches and influencers
- Developing the flexibility to build unstoppable confidence and motivation for smashing your goals
- Using winning internal dialogue strategies that keep you, and the people you lead motivated through challenging times
- Becoming more emotionally intelligent and developing the skills for engaging and motivating others

Fiona Campbell is a Communications Expert, NLP Business, Leadership Development and Coach Trainer, Speaker and Author.

She has been delivering training and business coaching since 2003. Her career also includes over 25 years' management and sales experience working with Xerox in the UAE and Yellow Pages in the UK.

Fiona currently delivers coaching and training programmes in the Middle East, UK and India.

Fiona first worked in the Middle East from 1982 until 1990. She returned to Dubai in 2013, and since then she has worked with a diverse range of companies in the UAE including Kempinski Hotel Group, ENOC, Etsalat, Du, Gemalto, National Bank of Abu Dhabi, Al Tamimi, Nestle, Dubai Word Trade Centre, Johnson and Johnson, Al Chaloub Group, Majid Al Futtaim and AW Rostamani and DP World

She is committed to continuous learning and in May 2013 become one of the first trainers globally to be licensed by The Society of Neuro Linguistic Programming and Dr Richard Bandler (the co-founder of NLP) to deliver NLP Business Coach Training.

She has helped companies achieve up to 700% performance increase, 75% reduction in meeting time, retention of key personnel, and smooth transition from management to board level. She regularly works with CEO's and Senior Directors helping them develop their leadership and communication skills.

Fiona's speciality is delivering programmes for enhancing communication, negotiation, behaviour and people development skills.
